**Subject:** Re: meeting tomorrow or no?

Bob - Working management approvals we discussed last time for haynesville.

Unless there are other issues you'd like to discuss (new study directives, questions from the last two workshops, etc), not sure it's worthwhile to meet until I get those in place.

Pls advise.

Thanks,

Subject: meeting tomorrow or no?

Did we have a meeting scheduled tomorrow? I thought we did but have been out of town and haven't heard anything.
